Cdre. Rohit Patel I.N. (Retd.) VSM
Secretary
The Old Sherwoodians' Society
Nainital - Uttaranchal

Dear Cdre. Patel,

I am pleased to learn that finally the Old Sherwoodians' Society has been registered with the Registrar of Societies Uttaranchal on 15.11.2002. I am also happy, that on my suggestion, this society was registered in Uttaranchal and shows the School as its Registered Office. This was the only proper way to do this and the same system is also followed by alumni associations of most other well-known public schools and this gives the Society authenticity as well as a centralized bearing.

On behalf of the school, I have no hesitation in recognizing this as the official representative body of the Sherwood Alumni.

My advice to you would be to ensure that the Executive / Management Committee is constituted in a manner so as to give it an all India character. Also since the school has been co-ed for sometime, the Committee should also consist of some lady alumni. I also advise you to give this wide publicity so that all ex-students recognize this society as the umbrella organization.

Yours Sincerely,

(D.R.A. Mountford)
